THE PROBLEM:

PRP. Microneedling. RF. Laser. Facelifts. Lipo. Injectables.

Every aesthetic procedure triggers:

- Controlled inflammation
- Collagen remodeling
- Cellular repair signaling
- Oxidative stress

If the body isn't nutritionally primed... results plateau.

THE SOLUTION:

Vital360Rx™ supports:

- ✓ Collagen production
- ✓ Microvascular circulation
- ✓ Controlled inflammatory response
- ✓ Muscle + soft tissue repair
- ✓ Immune resilience

- Premium, concierge-level patient experience
- Differentiates your practice
 - Increases compliance
- Creates an additional revenue stream
- Aligns with regenerative positioning

Physician-Exclusive Availability

The VITAL360Rx Clinical Nutrition Program is available only through our Affiliate Surgeons—not online or in retail.

Vital360Rx Offers 2 Turnkey Participation Options:

Option 1: Simple Referral – We Do the Rest

Ideal for busy practices that want all patient education handled for them.

- You or your staff submit a referral with basic patient contact info.
- Our Clinical Nutrition Team reaches out directly to the patient.
- We provide full product education, answer questions, and process their order. (You still receive 30% commission on each order)

Option 2: In-Office Recommendation & Order Entry

Perfect for offices with an MA, nurse, or front-desk assistant who already discusses pre-op or procedure instructions.

- Your staff briefly explains the Vital360 system.
- They take patient payment (via tablet, computer, or phone).
- They enter the patient order into the Vital360 portal.
- We fulfill directly to the patient.
- You receive 30% commission on each order.
